Headline:
Dry, mostly cloudy and rather mild today. Colder Sunday.

Today:
Generally dry and cloudy today, and rather mild still, but with a chance of patchy drizzle at times. Some bright or sunny spells may occur, but these are likely to be very limited. Maximum temperature 12 deg C (54 deg F).

Tonight:
Largely dry and cloudy at first, with some clear spells possible before cloud increases and outbreaks of light rain and drizzle arrive. Later tonight clear and colder conditions follow. Minimum temperature 3 deg C (37 deg F).

Sunday:
Cold and sunny start before cloud increases and scattered, sometimes heavy, showers arrive through the morning. Later showers ease. Highest temperatures coastal areas, but feeling noticeably colder everywhere. Brisk winds. Maximum temperature 7 deg C (45 deg F).

Outlook for Monday to Wednesday:
Largely dry, often cloudy, but some breaks allowing clear or sunny spells. Breezy and cold Monday, then lighter winds and temperatures rising closer to average. Chance of coastal showers Wednesday.
